## Continued Examination Under 37 CFR 1.114

1. Receipt is acknowledged of a request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e) and a submission, filed on March 29, 2004. The submission, however, is not fully responsive to the prior Office action because:

a. The amendment filed on March 29, 2004 canceling all claims drawn to the elected invention and presenting only claims drawn to a non-elected invention is non-responsive (MPEP § 821.03). The remaining claims are not readable on the elected invention because the elected invention is that of apparatus claims (Group II) while the claims in the amendment are directed to process claims (Group I) as properly restricted in the previous Office Action filed July 2, 2003. See MPEP § 706.07 (h) XIII (10 on the chart) and MPEP §821.03.

Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period for reply supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
